

## HDX-94C-CAP

Dakota Digital HDX Instrument Installation  
For 1994-'96 Chevrolet Caprice/Impala

Your new HDX-94C-CAP kit includes:

### HDX Display

### Universal Sender Pack

### Buzzer

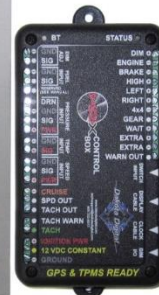

### Installation Manuals

### 36" Main Harness

### Control Box

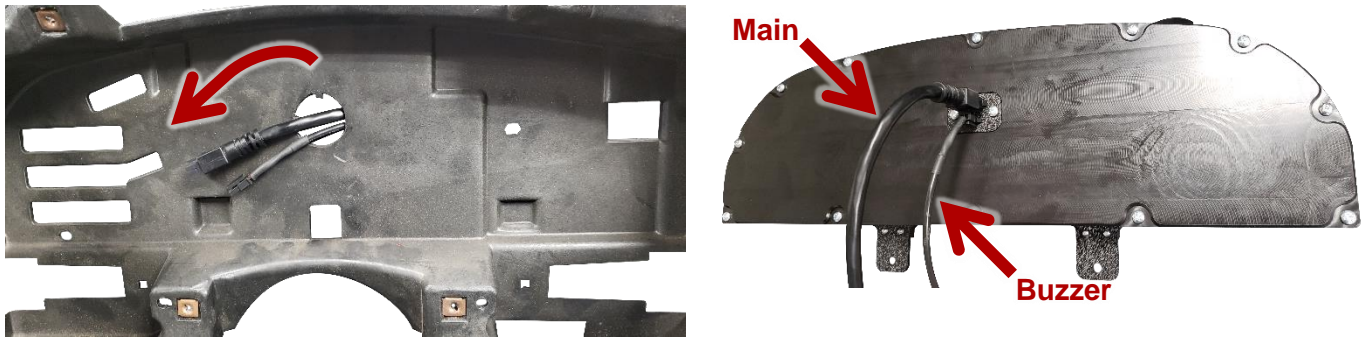

## Installation

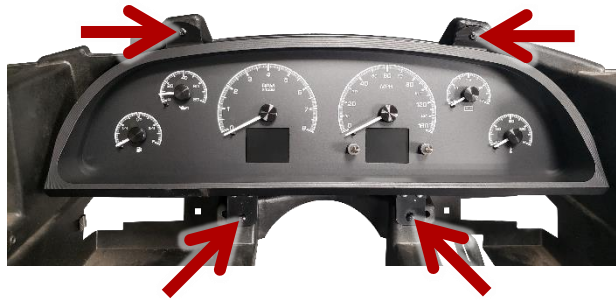

1. Remove the stock gauge cluster from the dash. Retain all factory hardware for reassembly.

2. Route the provided **36" Main Harness** and **Buzzer** through an existing opening in rear of the dash. Attach the harness and buzzer (optional for audio feedback) to the back of the HDX system. Be careful to not pinch the cables.

3. Place the HDX system into the dash and secure using hardware from disassembly.

4. Carefully route the open end of the main harness to the control box mounting location. Refer to the main manual for wiring instructions to complete the HDX installation.
