

HLC-63C-VET

Dakota Digital Clock Installation
For 1963-'67 Corvette

HLC-63C-VET Includes:

HLC Clock

2X Thumb Nuts

Harness

Installation

1. Disconnect and remove the original clock. This is a direct replacement so no existing parts or hardware will be reused.

2. With the original clock removed, carefully maneuver the HLC clock in place while lining up the mounting studs into location and secure the gauge with the two supplied thumb nuts.

3. Connect the provided harness to the clock. Route the other end to the HDX control box. Refer to clock operating manual for setup.
