

RLC-51F

Dakota Digital RLC Clock Installation
For 1951 Ford Cars

Your new RLC-51F kit includes:

RLC Operation Manual

RLC Clock

RLC Harness

Installation

1. Remove the original clock by disconnecting the wiring and removing the two nuts behind the dash. Retain these fasteners for attaching the new RLC clock.

2. Secure the new RLC clock to the dash using the original nuts.

3. Connect the provided RLC harness to the clock and carefully route the other end to the RTX control box. Refer to the enclosed clock operation manual to complete the RLC clock setup.
