

RLC-58C-VET

Dakota Digital Clock Installation
For '58-'62 Chevy Corvette

RLC-58C-VET Includes:

Installation Manual

RLC Clock

Clamping Back Plate

Harness

4X 4-24 x 1/2"
Mounting Screws

Installation

1. Remove the clock bezel from the car and place the RLC clock in the bezel from the front. Place the clamping back plate over the rear of the RLC, and secure the clock using the four supplied screws.

2. Connect the supplied harness to the clock.
Route the other end to the control box.

3. Reinstall the clock bezel in to the dash and refer to the Operation Manual to complete the clock setup.
